LES MONIÉRES

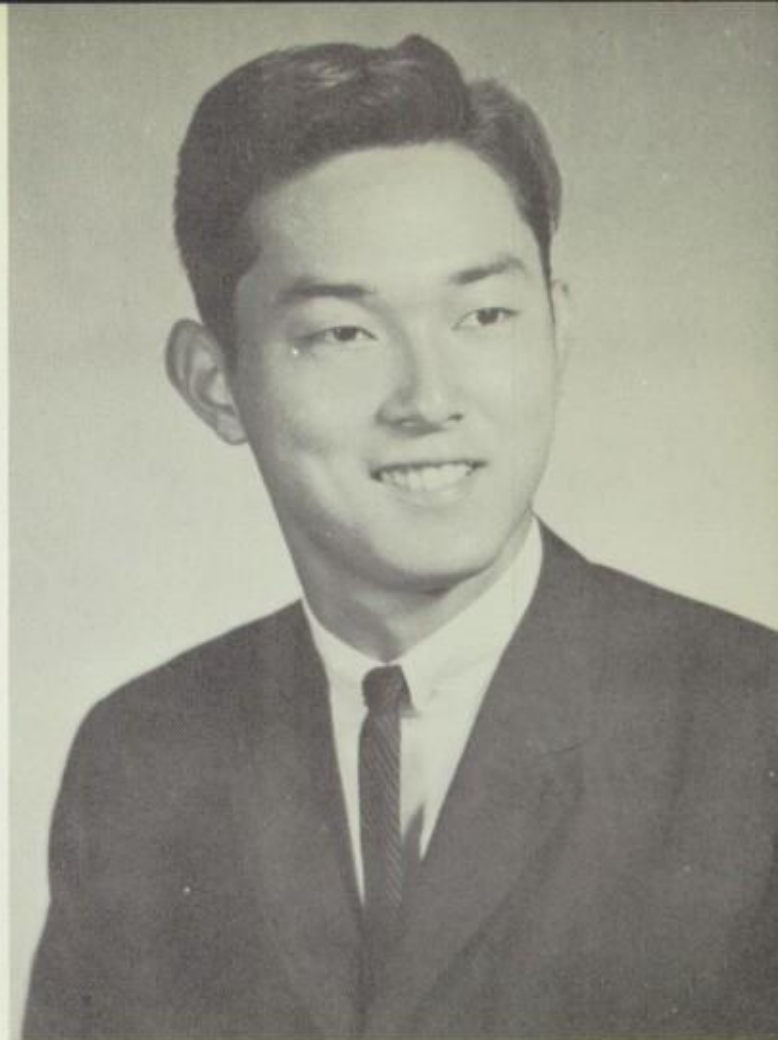

This class is accredited with several new innovations which will undoubtedly bring more activities for future graduating classes. Our Senior "Ayes" vs "Bees" Sports Night and "Ayes" vs "Bees" Volleyball Tournaments have provided much class enthusiasm during the semester.

Our class will begin construction of Senior Court which is another big step toward promoting spirit among the students and especially the seniors.

We will long remember our Field Day and Breakfast and we'll never forget our Senior Prom, "Polynesian Paradise."

Now as we all go our separate ways we'll never forget our wonderful years at Dorsey. Nor the class of Winter '62.

C O U N C I L

The Student Council with its outstanding representatives have brought many new innovations to Dorsey. The victory flags dedicated to our outstanding athletic teams, and the continuance of the Brent Barksdale Memorial have been just a few.

They have also created closer relations with the faculty and students. We should all realize that the Student Council has accomplished more than their share to promote the betterment of our community.

Under the capable guidance of Mr. Joseph Drury the Student Council has worked to its fullest capacity this semester. He has combined unbiased opinions with good nature to make this a successful year. Dorsey is proud of Mr. Drury and his work.

LES SAVANTS

It seems like only yesterday that we assembled as high school sophomores planning to work for three long years toward our graduation. We gazed in admiration at the seniors who were engrossed in their many activities. Now having reached our goal as Senior Ayes, we in turn, look back upon our Field Day, our Prom, and our Senior Breakfast with fond memories of our days at Dorsey. Interwoven with these memories is the certainty that we have acquired a sound education. If we apply this knowledge to all of our undertakings, we will find success.

EPHEBIAN SOCIETY

The Ephebian Society is a civic betterment organization composed of citizens who are high school graduates of the Los Angeles area. Members are selected by the faculties and Senior classes of their respective high schools and elected to membership in the Society on the basis of character, scholarship, and leadership. Its purpose is to focus the attention of the outstanding graduates upon matters of civic leadership, betterment, and community welfare. One Senior "A" student to each forty students from the graduating class may be chosen as an Ephebian. Elections are held in

AWARDS

John Emmel

I was prompted to enter the Westinghouse Science Talent Search because my brother was a finalist in the 1959 competition. I had to fill out a personal data sheet, take a science aptitude test, and submit a report on a scientific project that I had done. I placed seventh in the nation.

I received the \$9,000 North American Aviation Scholarship on the basis of a qualifying test, personal information sheet, and a scholastic aptitude test.

In the Bank of America awards, I received the school certificate award in science.

Denise Reeves

I have had the honor of being chosen to represent Dorsey in the 1962 NASC European Tour for International Understanding. This opportunity was made known to me when I was a member of the California Associations of Student Councils.

Steve Fukuda

I have won two art scholarships while attending Dorsey High School. The first one was to Otis Art Institute which I attended last summer. The second was to Chouinards where I attend classes every Saturday. I hope to receive a full time scholarship from Chouinards, which would enable me to continue there for another year. If not, I will go to El Camino J.C. and from there, on to U.C.L.A., then the Art Center.

Roberta Musicer, Stephen Clamage, and Barbara McCord, were recent semi-finalists for the National Merit Scholarship Corporation. They were chosen from their college board scores.

STUDENT

GOVERNMENT

STUDENT

The Student Council is the highest governing body in the school. It meets daily and consists of the ten elected student body officers, plus other organization representatives and foreign exchange students. The Council, sometimes known as the advanced leadership class, meets during fourth period to transact the business of the Student Body.

This semester, under the direction of Student Body President Joe Logan, it has helped promote a closer relationship between members of the Student Body. In this connection, the Council members have made it possible for the Student Body to participate directly in student government through the frequent Open Council Meetings. Other Council projects included the Blue Chip Stamp Drive, which helped to finance several school and PTA activities. They have devoted much time to investigating the possibility of an off-campus prom, establishing better student parking facilities and better standards of communication and improving entertainment at school functions.

The Dorsey community has been fortunate in having such a capable Student Council.

COUNCIL

This past semester has been without a doubt my most rewarding semester at Dorsey. I have learned that the office of Student Body President is by no means an easy one. The semester was full of worries, jobs, and various odds and ends. The responsibilities were great and the obligations many. But I feel that the few gray hairs obtained are but little consequence as compared to the pleasure gained from serving you.

The task of saying good-bye is perhaps the most difficult of any task I have yet faced, but the time always comes when it must be done. Therefore, I would like to thank you, the student body, for affording me the pleasure of serving you. Student Council S'62 and I have done our best to serve you well. The rich experiences gained and the many opportunities which have been opened to us have proven to be a just reward.

Every year the American Field Service sends American high school students to live with families in foreign countries. The students are selected by their high schools and communities. Last summer Peggy Duncanson went to Montevideo, Uruguay on this program.

BOYS' AND GIRLS' STATE

Each summer the American Legion sponsors Boys' and Girls' State at Sacramento. One girl and four boys, specially selected from high schools in the state, spend one week learning about California's government.

Last summer's representatives were: FRONT ROW, L-R: Tim Johnson, Heidi Stengel, Ron Abeles. BACK ROW: Earl Steen, Ron Chin.

FOREIGN EXCHANGE

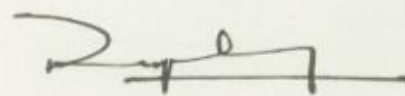

American Field Service Student—Cordoba, Argentina

My experience in this country is developed in many different areas; mainly in my North American family, school, and community. Personally, I feel that I have been fortunate coming to this community, in which you can find a school like Dorsey.

Dorsey has been a great, wonderful part of my experience in the United States. There are many reasons why, but none is more important than the new friendships and affections I have found here. Sincere, unforgettable friends.

But there is always an end and a farewell. Two years ago, I was saying goodbye to the friends of my Argentine high school and it was sad. Now I'm saying goodbye to Dorsey. And it is sad, too. But in both cases, now as well as before, I am always looking forward to the possibility of a return . . .

I shall only say "hasta la vista".

Carlos Rujinsky

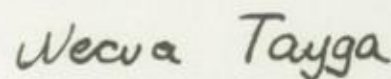

American Field Service Student—Eskisehir, Turkey

It is wonderful to see the importance of one year when I turn and look back upon my past year in Dorsey among the Dons and Donnas.

When I came here first, I brought greetings and love from the Turkish youths to Americans.

I thought of you as representatives of all American youth. I asked questions about your way of life. I went to classes with you. I was excited at all the sports events. And I enjoyed all the assemblies. Always with you, always like you.

Now it is time to say goodbye. However, one thing makes me very happy. New Dons and Donnas will come to Dorsey and new foreign students will also come. They will shake hands and become friends, and lead the people of the world to understanding, friendship, and brotherhood among nations and individuals.

Necva Tayga

Brent Barksdale Student—Kenya, Africa

Leo Arao was selected to come to the United States from Kenya, Africa, under the Brent Barksdale Memorial Fund. Brent Barksdale was an outstanding Dorsey alumnus who was killed in an accident two years ago. Last year the members of the S'61 Student Council formed the Brent Barksdale Committee. The committee, after careful evaluation of the applicants, selected Leo to come to the United States where he is presently staying with Joe Logan and his family. After graduation from Dorsey next June, he hopes to attend one of our universities.

FREEDOM TO BECOME

Freedom to become! How wonderful to live in a country where each individual may choose his own goal—a goal limited only by potential and ambition. In many countries this freedom is unknown, for the state decrees that this man shall be a laborer, and this man a scientist, and the only goal is that of the state.

FREEDOM TO BECOME

Universal education,
That none need stay bound in the darkness of ignorance;
Individual choice,
That a man may make what he will of himself:
Doctor or diplomat, bureaucrat or businessman;
The right to dream, to envision tomorrow;
The right to try, to bring those dreams to fruition;
To try again to the limits of perseverance and ability,
To reap the fruits of one's own toil and sweat.
All these, born of a young, lusty, vital nation,
Looking to the future
Yet drawing strength from its past,
A nation of the forward-moving, upward-striving,
Comprise the Freedom to Become.

Roberta Musicer
Creative Writing

We must never forget that the freedom to become, like all freedoms, depends upon our acceptance of responsibility; willingness to explore varied avenues of becoming, courage to make an appropriate choice, dedication to the continued effort demanded by high goals. Most important, the freedom to become demands of each of us that we never cease to grow—that we go on becoming all our lives.

Here at Dorsey we have had rich experience in the process of becoming. We have been made aware of a great variety of possible goals. We have exercised our freedom in making innumerable choices. We have learned that to become tomorrow requires labor today.

Above all, we have learned that our democracy, with its heritage of freedom, can remain free only if every individual, to the limit of his ability, strives to become.

The Dorsey gridders finished their season with an overall record of 3-5-0. Finishing in a tie for third place in the always strong Southern League. In several of the league contests the Dons completely outplayed the opposing team in yardage gained, passing, and defense, but Lady Luck's unabated disfavor with the Dons was evident when the final scores were posted.

Not enough can be said for the fine work done by the seniors on the squad, for they formed the hub around which the team functioned.

Special recognition should go to Dorsey for placing four members on the All-Southern League Honor Team: Senior Jack Irvine, first string center; seniors Joe Hollingsworth (Quarterback) and Glenn Pulliam (Tackle) and junior Rick Zarlow (Defensive Guard) were second string.

DORSEY vs. GARDENA

The determined Dons visited Gardena for their second pre-season game. The Dons were slightly startled as Stuart Horn took the opening kickoff and returned it 90 yards for a T.D., but they were not to be outdone. Before the half the Dons had scored twice and caught Gardena for a safety. The second half saw Dorsey held to one more T.D. and hampered by penalties from producing a greater score. Recognition goes to the defensive line, linebacker Rene Latchman and fullback Rudie White who scored twice.

Soph. Q.B. Rick Purdy scores final T.D. against Gardena from the one yard line.

Starting Line-up

DORSEY vs. POLYTECHNIC

Dorsey opened its 1961 football pre-season against Polytechnic High at North Hollywood High. For three quarters the Dons played Poly to a zero-zero tie with each team marching up and down the field but failing to score. However, with five minutes remaining to play in the game Joe Hollingworth attempted a pass which was intercepted by Darrel Hoover who ran 52 yards to score. Dorsey made a last attempt to score but failed on the Poly 10 yard line.

Renauld Lee #38 runs off tackle for a good gain against Poly as Ruddle White #33 and Jack Irvine #42 close in to block defenders.

DORSEY vs. BIRMINGHAM

The Dons did not play up to par against Birmingham (who later reached the city playoff finals). Birmingham capitalizing on Dorsey errors including a fumble inside the 10 yard line and an interception scored twice early in the game. Dorsey started several drives only to be stopped on crucial plays. The Dons should have won this game if they would have played football instead of being worried by the 100 degree heat.

DORSEY VS. JEFFERSON

Dorsey's footballers moved into contention for top honors in the powerful Southern league, as they trompled host Jefferson, in the league opener. Dorsey's offensive line proved too much for the Democrats. In the second quarter the Dons marched 70 yards for the first T.D.

Playing outstanding ball were John Williams with 3 T.D.'s, Rick Gross, and Bob Huber (70 yard punt return).

DORSEY VS. WASHINGTON

Hampered by numerous fumbles (6 recovered by Washington), 3 interceptions and 150 yards of penalties the Dons lost their Home Coming game to Washington. The Dons threatened to score several times but were victims of their own mistakes.

DORSEY VS. LOS ANGELES

The Dons remained in contention for the Southern League Title as they edged Los Angeles by one point. The winning point came with 11½ minutes left to play in the contest. Joe Hollingsworth passed into the end zone to Grubbs for the T.D. which set up the extra point pass to Bob Huber. Bob Huber played an excellent game, scoring 13 points.

DORSEY VS. MANUAL ARTS

Dorsey lost its chance to win the title when they lost to Manual Arts, who later won the city title. The game was decided in the first half as Manual scored 3 times, 2 T.D.'s being set up by interceptions in the first period. The second half showed a changed Don eleven who held M. A. to one more T.D. scored once themselves and threatened inside Manual's territory several times.

DORSEY VS. FREMONT

After a scoreless 3 periods, Dorsey went ahead to score on a 4 yard pass from Hollingsworth to Huber. Fremont came back to score and tied the game. Then with 3 seconds remaining in the game Fremont scored on a long pass. This was the most disheartening loss of the season taking into account that Dorsey outplayed Fremont but, hampered by mistakes, failed to produce the score.

Renauld Lee attempts to evade two Pathfinders as he runs around right end.

Birmingham man topples as Dorsey wins.

DORSEY BEES

In their pre-season opener the Bees were upset by Poly. The midgetmen were hampered by numerous fumbles and penalties throughout the game. Two interceptions by Calvin Elliot high-lighted the evening.

Dorsey came back the next week to topple Gardena. The midgetmen were sparked by Calvin Elliot who returned an interception 90 yards to score in the second quarter.

In a hard fought game, Birmingham lead for three quarters. The Bees came back in the forth period scoring on a pass play to "Snake" Robinson. The extra point pass for Robinson to Oates became the deciding factor as Dorsey edged Birmingham. In their league opener the Bees routed Jefferson as they again moved toward their league title. Robinson scored two touchdowns. The outstanding Don defense led by Jew, Angel, Stover, and H. Williams, proved to be decisive.

"Snake" Robinson sweeps around Washington end.

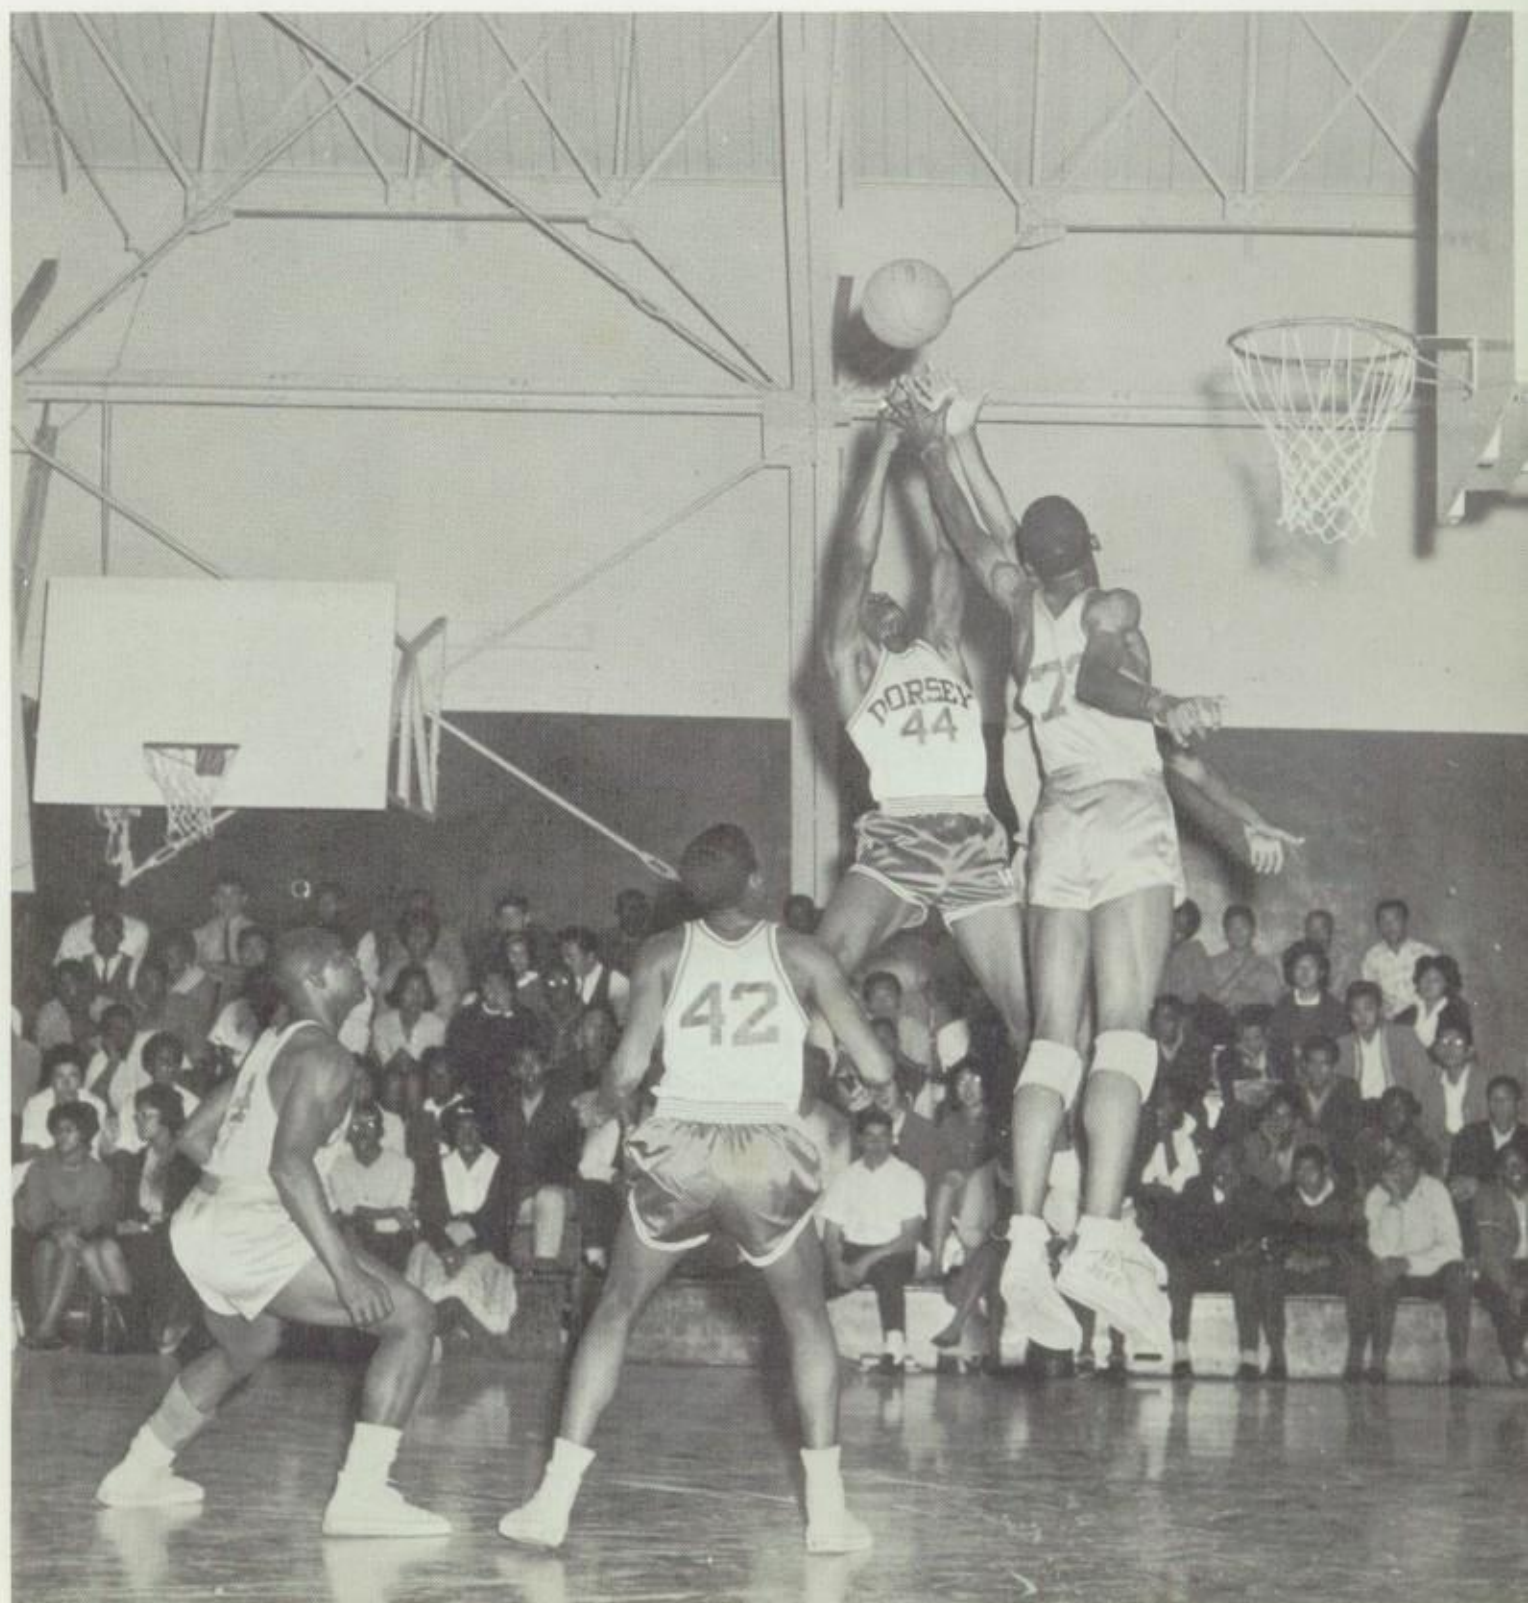

In their second league encounter the midget-men blanked the weak Washington squad. Outstanding players were C. Walker, W. Murden, Robinson, and Green. In perhaps the toughest game of the year the Dons met the always powerful L.A. Romans. The winning T.D. came in the 4th period on a leaping catch by Arthur Chism who eluded 2 Roman defenders for the tally.

Walker eludes Fremont defender.

The Bee gridders clinched the league title by tying Manual on an end sweep, after the game. This was brought about by a Manual penalty in the last second of play. In their last encounter, the Dons lost their first game on a fumble late in the first half. The outcome of which was a T.D. by Fremont. Credit goes to Mr. Mazmanian and Mr. Evans and the entire squad for retaining the Southern League Championship.

Anthony Scott drives in for lay-up in a pre-season game with Canoga Park

The Don mellowmen finished fourth to Jefferson, the league winner, in a tough Southern League. Our first string players included Mike Me-toyer, Steve Morris, Gerald Madkin, Doug Purdy, and Leonard Allen.

Next year's team will be mostly composed of ex-Junior Varsity cagers with A. Scott and L. Clark returning from the varsity squad.

The fine showing of our BEE's and CEE's (the BEE's placing second and the CEE's tying for first) indicates a strong varsity squad in the future.

'61 HOME

Queen
Sharon

"Little" Sharon Linsk was the senior girl selected as the 1961 Homecoming Queen. Queen Sharon reigned over activities of Homecoming Day. She was crowned at the Homecoming Assembly by former Student Body President, Bob Kardashian, gaily greeted her crowd from her perch on a '61 gold Corvette convertible, and was guest of honor at the Homecoming game at Washington High.

Appearing with Sharon as her princesses were Lucielle Broyles and Ruby Bolden. The Homecoming Assembly included entertainment provided by Miss Mansfield and Mrs. Elfman who sang a few original ballads. Various alumni were guest speakers and Tony Byler presided, as usual, over the assembly.

Congratulations from ex-Pres.

The twenty-fourth annual May Day Festival was held on the fourth of May, nineteen hundred sixty-two. The May Day is the one day in the year which is especially set aside for the Donnas and is a tradition of which Dorsey has always been proud.

The theme carried out was "Cinderella." Grand Marshall Michele Montelleone, as Cinderella, presented the princesses, honorary princess Necva Tayga, the two maids of honor, Mamie Allen and Trudy Prescott, and the Queen Jo Bonita Smith. Preceding the coronation ceremony a fashion show was presented in honor of the Queen and Her Court by Mrs. Baker and the clothing department.

The day's festivities were concluded with a picnic for the girls in the circle and a luncheon for her Majesty the Queen, Her Court and their mothers. The May Day dance added a pleasurable final touch to the day.
